# Order Confirmation/Return Policy

Dear Customer:

The USFTC Fair Credit Billing Act obliges legitimate Internet merchants including Blue River Digital Inc. to verify that credit card customers have received, read, and accepted any return policy that may apply to your Internet purchase. To complete your credit card order, Blue River Digital Inc. requests that you read, sign and fax the following Return Policy, in order to protect your interests as well as those of other customers and Blue River Digital Inc. Thank you for choosing Blue River Digital and we look forward to serving you!

=====

Blue River Digital Inc.  
RETURN POLICY

All Blue River Digital products and services are "custom-fabricated" unless specifically advertised or otherwise claimed to be "in stock" or "ready to ship". Returns not accepted for custom-fabricated products and services. Returns on non-custom (in-stock) products are subject to 25% restocking charge plus shipping and handling costs. Returns of in-stock products accepted only with a valid RMA number issued by Blue River Digital Inc., one unique RMA number for each returned carton. To obtain valid RMA number(s), please download our RMA form from this website: [http://www.blueriverdigital.com/forms\\_and\\_policies/RMA.pdf](http://www.blueriverdigital.com/forms_and_policies/RMA.pdf), complete the form, and fax to 916-677-4691. RMAs are only issued for items with defects in materials or workmanship as stated in the Warranty and Return Policy posted at Blue River Digital's website, [www.blueriverdigital.com](http://www.blueriverdigital.com). No warranty or RMA or other consideration is expressed, implied, extended or granted for certain issues including but not limited to lightbox diffusion, graphic image resolution, color accuracy, color fade resistance, moisture resistance and/or weather resistance. Please refer to Warranty and Return Policy for additional information. RMA number(s) must be clearly marked on outside of each returned carton, on or near shipping label, in order for return to be accepted. If RMA-authorized merchandise is returned damaged, incomplete and/or in non-resellable condition, and/or if returned merchandise does not match the model and/or product description for which the RMA was issued, the attempted "return" of merchandise is deemed to have failed, and return credit is forfeited. In the event that customer experiences product damage, failure, incompleteness, improper configuration and/or inaccurate fabrication, this Return Policy does not apply, because such products are generally eligible for repair and/or replacement under the terms of Blue River Digital's Warranty, and not eligible for refund or exchange for a different product. Therefore in these circumstances, please refer to Blue River Digital's Warranty and Return policy, which can be found at:

[http://www.blueriverdigital.com/forms\\_and\\_policies/warranty\\_and\\_return\\_policy.aspx](http://www.blueriverdigital.com/forms_and_policies/warranty_and_return_policy.aspx).

I have read and agree to the terms of Blue River Digital's Warranty & Return Policy, and hereby authorize Blue River Digital to fulfill my order:
